LET US HELP YOU

DOUBLE YOUR INCOME AND PROFITS IN 8 MONTHS

Open Circles Academy®

fulfill your potential

The Next 8 Months...

Thank you for joining the Double Your Income Workshop...

It was great to share our insights and experience with you, and we hope you saw how much more potential your business has to grow and deliver more income to you, while making more impact in the lives of your clients.

It would be our pleasure and privilege to walk this path together this year, and support you in maximizing what you're already doing.

We can either come up with new strategies for you to use, or optimize strategies you're already using - to make sure you're getting the best return on investment for your time, energy and money.

In the next pages you will find information to help you identify what level of the 8-month program fits best your goals, challenges and resources.

You will also find a time-limited offer, dependent on what price level you would prefer.

We look forward to working with you in the next eight months,
